John and Stephen -

We were able to reschedule so that we can proceed with only one sampling team during the week of March 5th. Currently - we still have only three split samples scheduled. I've attached the slightly revised schedule for split samples for Monday and Tuesday. We will contact you should this schedule change.

Please contact me with any questions.

Thank you - Kelley

John and Stephen -

I realize that I just sent the current schedule. However, I wanted to let you know that we are attempting to move one of the appointments currently scheduled for Monday March 5th at 1:30pm. If possible, we would like to be able to sample with only one sampling team for the week. I will contact you as soon as I know whether we were able to reschedule.

Thanks - Kelley
